CONDITIONS OF SALE.

- I. The highest bidder to be the buyer ; and if any dispute arise between bidders, the lot so disputed shall be immediately put up again, provided the auctioneer cannot decide the said dispute.
- II. No person to advance less than 1s. ; above five pounds 2s. 6d., and so on in proportion.
- III. In the case of lots upon which there is a reserve, the auctioneer shall have the right to bid on behalf of the seller.
- IV. The purchasers to give in their names and places of abode, and to pay down 10s. in the pound, if required, in part payment of the purchase-money ; in default of which the lot or lots purchased to be immediately put up again and re-sold.
- V. The sale of any lot is not to be set aside on account of any error in the enumeration of the numbers stated, or errors of description.
- VI. The lots to be taken away, at the buyer's expense, immediately after the conclusion of the sale ; in default of which Messrs. SOTHEBY, WILKINSON & HODGE will not hold themselves responsible if lost, stolen, damaged, or otherwise destroyed, but they will be left at the sole risk of the purchaser. If, at the expiration of Two Days after the conclusion of the sale, the lots are not cleared or paid for, they will then be catalogued for immediate sale, and the expense, the same as if re-sold, will be added to the amount at which they were bought. Messrs. SOTHEBY, WILKINSON & HODGE will have the option of re-selling the lots uncleared, either by public or private sale, without any notice being given to the defaulter.
- VII. Upon failure of complying with the above conditions, the money required and deposited in part of payment shall be forfeited, *and if any loss is sustained in the re-selling of such lots as are not cleared or paid for, all charges on such re-sale shall be made good by the defaulters at this sale.*

Gentlemen, who cannot attend this Sale, may have their Commissions faithfully executed by their humble Servants,

Chron., N.S., XVIII (1878), p. 85, and is mentioned in *Historia Numorum*, ed. 1887, p. 185; ed. 1911, p. 208. It was originally in Mr. G. Finlay's collection, which Mr. Sandeman purchased in 1877. Dr. Head remarks: "The fine archaic style of the art on the obverse is a proof that the coin is the work of a skilful Greek engraver of an early period." In G. Finlay's "History of Greece," p. 86, M. Postolaka refers in a foot-note to the above described coin in the following terms: "Le superbe tétradrachme archaïque me semble à cause de l'aire creuse de fabrique macédonienne, mais de quelle ville je ne puis pas préciser."
